<CraigB> Hi all y'all

<AllieCat> Hi Craig

<CraigB> hey dudes and dudettes

<CraigB> Lisa is here too.

<DarthRoden> hi Lisa

<CraigB> she's guest 84.\

<Ruth-HLT> the last time i emailed you, i was having a little girl

<Guest84> Did you name her Lisa?

<CraigB> it's been a loooong time.

<CoolSteve> hi craig, steve here!

<CraigB> Hey Steve

<IfOnlyHeLovedMe> aaw your brothers movie was fantastic

<Guest84> Thanks--I might tell him you said that!

<Guest84> Or I might not. Depending.

<CraigB> yeah, let's give it up for the Simpsons movie.

<CraigB> Lisa and I and the kids went to the opening.

<CraigB> very West LA.

<CraigB> there was a choir singing "Spider Pig" at the party.

<CraigB> very sweetly, too. Very spoofy, not like Homer sang it.

<kagomesashi> I watch ir too I felt like watching Hey arnold's movie

<Guest84> I agree with Kagomesashi!

<Guest84> The Simpsons Movie felt very Hey Arnold...

<CoolSteve> Jae and another member, Lord Malachie say their hi's as they couldnt be here tonight. they say thanks for giving up your time for us

<CoolSteve> Shaun Blankenship too says hi, and Kim I dont think can make it

<CraigB> Lisa and I are early.

<CraigB> we wanted to make sure our computers worked.

<DarthRoden> Futurama Rules!

<kagomesashi> You rule Craig!

<Manolo> MegaWhacky Max cannot make it neither Craig :(

<CraigB> Hey, Franny said she'd come by.

<CraigB> and I think Jim???

<Guest84> It's cool for you to be enthusiastic.

<CoolSteve> this chat is hyperdrive, i cant save it anymore

<Guest84> Cool Steve said it right.

<CraigB> yeah, it's scrolling fast.

<SeraphimKiss> I almost friended her on FaceBook and asked her if she would come, but didn't want to seem like a stalker...

<CraigB> Ha!!

<CraigB> stalking helga

<CoolSteve> 30 people chatting, just like last year

<CraigB> Too bad Max couldn't. how about Kim?
<carlin01> craig
<CraigB> yesss?
<Ruth-HLT> you might run into her, actually, sometime soon. she's in san diego now.
<Guest84> You guys are fast typers.
<CraigB> we missed each other at the Con.
<CraigB> ships passing in the night.
<CraigB> there were 120,000 peeps there this year.
<CraigB> every year I swear I'm done
<CraigB> but I keep going back.
<CraigB> I love shopping for comics.
<CraigB> and I bought a Miyazaki pencil of Kiki this year.
<CraigB> not drawn by M himself, his studio. an awesome drawing th.
<Manolo> I love any movie from Miyazaki!
<Guest84> I'm going to go now and make brownies for the teen party here tonight. Sweet dreams everyone!
<DarthRoden> OMG really! Thats amazing! Kiki's Delivery Serive is awesome! Miyazaki is awesome
<CraigB> Kiki is a fave, and Totoro
<CraigB> we all love Porcorosso too.
* Guest84 has left #arnoldsroom
<CraigB> and the latest ones....
<DarthRoden> Spirited Away and Howl's Moving Castle are my two favorites by him
<nicky63220> craig will hey arnold every be on dvd
* CRAIG_BARTLETT has joined #arnoldsroom
<CraigB> Nick hasn't talked DVDs with me at all.
<CraigB> Hey, look, it's the other CRAig Bartlett.
<CraigB> my doppelganger.
<CraigB> say hi, craig.
<kagomesashi> who's the other craig?
<DarthRoden> it must be Craig's evil clone
<CraigB> Actually, it's Lisa switching names on her computer, I'm gonna shut this one off and go over there.
<CRAIG_BARTLETT> cRAIG'S Doppelganger!
<CraigB> bye from my laptop!!
* CraigB has left #arnoldsroom
<CRAIG_BARTLETT> Because my computer is better!
<CRAIG_BARTLETT> Haha!
<CRAIG_BARTLETT> This is the difference between PCs and Macs.
<CRAIG_BARTLETT> This is one of the cheapest Dells possible, and yet...
<PhantomPearl> What's next Craig?
<CRAIG_BARTLETT> Craig will be back in a moment. He's taking a refreshment break.
<IfOnlyHeLovedMe> can't afford a mac
<CRAIG_BARTLETT> I know. Macs are too expens...
<CRAIG_BARTLETT> But I love 'em.
<CRAIG_BARTLETT> Here he is!
<CRAIG_BARTLETT> ta daaaaah!!
<CRAIG_BARTLETT> Lisa wrote my name in caps
<CRAIG_BARTLETT> like I'm a big shot.
<CRAIG_BARTLETT> it's me!!!
<acmaster27> craig, do you have access to the Hey Arnold episodes?
<CRAIG_BARTLETT> I have them on digital tape.

<CRAIG_BARTLETT> Lang and I are slowly transferring them to DVD
<CRAIG_BARTLETT> And seriously, it will require Nick to release them on DVD, i can't do it myself.
<ThatDonGuy> Craig, have you ever considered working for "larger" shows like The Simpsons or Family Guy?
<CRAIG_BARTLETT> Simpsons would be fun to work on.
<PhantomPearl> i want to see pilot! *cry*
<CRAIG_BARTLETT> the pilot was cool. did anyone see it in the theater with Harriett?
<kagomesashi> last nights I have been watching Johnny Bravo waiting to see Craig's Name there lol
<CRAIG_BARTLETT> Yeah, Matt's big junket on behalf of the movie was fun for us.
<CRAIG_BARTLETT> we tivo'd his various appearances.
<CRAIG_BARTLETT> his best was Charlie Rose.
<CRAIG_BARTLETT> that show took a whole half hour with Matt and jlm Brooks.
<nicky63220> do u have the pilot craig
<CRAIG_BARTLETT> yeah, somewhere...
<CRAIG_BARTLETT> my "archives" are a mess.
<CRAIG_BARTLETT> let's chat informally until 5
<CRAIG_BARTLETT> and then Steve can crack the whip.
<DarthRoden> Tell Matt that I love the Treehouse of Horror episodes every Halloween
<CRAIG_BARTLETT> I will. the treehouse eps
<CRAIG_BARTLETT> are usually when the parties are, each year.
<CRAIG_BARTLETT> they start their season with them.
<CRAIG_BARTLETT> so i associate them with public drunken parties.
<ThatDonGuy> They *used to* start the season with them, but now Fox starts The Simpsons in September again
<mxnhpfreak> Craig, I have a question... it might be a little silly, but I'm curious...
<CRAIG_BARTLETT> Fox does what it does, but the crew parties around Halloween.
<CoolSteve> is the simpsons going to finally die after the movie? I have heard rumors
<CRAIG_BARTLETT> Nah.
<CRAIG_BARTLETT> yes, question?
<mxnhpfreak> have you read Hey Arnold FanFiction? If so, what do you think of it, generally speaking?
<CRAIG_BARTLETT> I haven't in a while, I guess I'm further away from that these days. Is it still thriving?
<Ruth-HLT> haha, fanfiction...surely some of the newer stuff would make his eyes pop out
<CRAIG_BARTLETT> it gets edgier as the years go on, huh?
<CRAIG_BARTLETT> i guess they are older in our minds now.
<CRAIG_BARTLETT> all the kid actors are in their twenties now.
<CRAIG_BARTLETT> I must tell you all to look up Justin Shenkarow's video
<CRAIG_BARTLETT> that he just made and put up on the web
<CoolSteve> I think they were all born in 1986, so yes they would all be 21 now - going to Hillwood's Bars!
<CRAIG_BARTLETT> on youtube.
<CRAIG_BARTLETT> Justin (Harold) plays Lindsay Lohan getting arrested.
<CRAIG_BARTLETT> It is hilarious!! he kinda looks like Lindsay and has the voice of Harold!
<CRAIG_BARTLETT> you will laugh, i promise.
<CoolSteve> up to 35 now, more than last year!
<CRAIG_BARTLETT> hey everybody.
<CoolSteve> maybe cause i said this would be "the last Craig" chat it made everyone come out

<CRAIG_BARTLETT> what, I'm sailing off to the south seas?
<Gena> lmao, I hope not, Craig??
<CRAIG_BARTLETT> naw, we're stuck here in LA for a long time, methinks.
<kagomesashi> <Craig> have you watch people's art at deviantart?
<CRAIG_BARTLETT> I've been to that site, but not for a long time.
<CRAIG_BARTLETT> it's too good to leave just yet.
<Ruth-HLT> hey, has working for NASA been fun?
<CRAIG_BARTLETT> yeah, the NASA film just ended in June.
<CRAIG_BARTLETT> we installed the media in Florida and now it's open.
<Gena> where can we see it at?
<CRAIG_BARTLETT> Cape Canaveral, Kennedy space center.
<CRAIG_BARTLETT> kinda far from most peeps.
<notevendoommusic> oh craig, for an aspiring animator or animators, do you suggest bringing your work and ideas to nickelodeon
<CRAIG_BARTLETT> sure, why not?
<CoolSteve> its the official chat time. Should i line up the questions so i can slow this thing down? i cant even read any of it, lol
<CRAIG_BARTLETT> Yeah, take over, Steve.
<CRAIG_BARTLETT> ask Steve everybody.
<CRAIG_BARTLETT> he's the MC.
<CoolSteve> i know peoples questions got missed last year, so lets take it slow
<mxnhpfreak> another question, Craig-- a weird one, I think... Let's suppose Nick contacts you because they've decided they want to make the Jungle Movie, but they want it to be in something different than traditional animation (puppets, CGI, real people, I dunno) what would you choose (if you *had* to choose something)? (BTW, call me Claudia, that's my real name)
<CRAIG_BARTLETT> HI Claudia.
<CRAIG_BARTLETT> That seems very unlikely.
<CRAIG_BARTLETT> they might go CGI, but they still wouldn't probably do the Jungle movie.
<CRAIG_BARTLETT> They are shying away from theatrical releases of TV shows, partly because the Arnold movie didn't do well enough,.
<CRAIG_BARTLETT> Nick hasn't been in touch with me in a long time. I don't think Arnold's on their radar.
<CoolSteve> someone else have a q?
<ThatDonGuy> Ooh! Ooh! I have one...
<CRAIG_BARTLETT> is that Don?
<ThatDonGuy> Craig, have you ever considered working for a, well, "more popular" show like The Simpsons or Family Guy?
<CRAIG_BARTLETT> I love the Simpsons, but haven't asked them for a gig.
<CRAIG_BARTLETT> it might be awkward since i'm Matt's bro in law.
<CRAIG_BARTLETT> next q?
<Albert_Rodcheste> Craig are you currently working on an projects you could mention?
<CRAIG_BARTLETT> okay, here's a list of my projects?
<CRAIG_BARTLETT> I'm at Henson a lot right now.
<CRAIG_BARTLETT> Joe P and I have a couple shorts we made, that will run on Nick.
<CRAIG_BARTLETT> they were performed on their motion capture stage and are CGI.
* knobworld has joined #arnoldsroom
<CRAIG_BARTLETT> I'm also doing a couple projects with Henson and PBS, with my old friend Linda Simensky.
<CRAIG_BARTLETT> Hey, Jimmy's here.
<CRAIG_BARTLETT> our next q should be music related.

<knobworld> Greetings all from knobworld, the home of the hits!
<The_Mouse_Avenge> Oh, hello, Sir Jim! *curtsies*
<CRAIG_BARTLETT> Jim and I have continued to try to get another show, another way to work together.
<knobworld> Curtsies? sheesh
<CRAIG_BARTLETT> The Henson stuff, and now I'm working with the Peanuts people too.
<LynorEclipse> how does one get into composing for tv???
<knobworld> Hmm, best way is to find someone who is making pictures and convince them to let you make some music for their pics
<The_Mouse_Avenge> I have a question for Craig myself. Well, more than one... ^^;;
<CRAIG_BARTLETT> what's the q?
<kagomesashi> Jim, what's was your inspiration at hey Arnold's music? do you have any jazz Idol?
<CRAIG_BARTLETT> go Jim! go Jim!
<knobworld> Msuical heroes include, Steveie wonder Billy strayhorn Paul Desmond GEROGE GERSHWIN, such a looong list. BTW Craig is quite a crooner himself. Bet ya didnt know that
<CoolSteve> Are you read to give is more answers concering TJM Craig, like you did last year, or do you still want to keep us in the drark?
<CRAIG_BARTLETT> I get along without you very welllll....
<CRAIG_BARTLETT> choke
<CoolSteve> lol Craig sings Spumoni
<kagomesashi> Craig read Steve's question please!
<CRAIG_BARTLETT> oh, Steve's q?
<CRAIG_BARTLETT> okay.
<CoolSteve> its 2007, how long must we wait?
<CoolSteve> no pressure XD
<CRAIG_BARTLETT> Okay, it's hard to sum up the movie's story in chat format.
<CRAIG_BARTLETT> suffice to say
<CRAIG_BARTLETT> that it's after "the Neighborhood,"
<CRAIG_BARTLETT> so Arnold knows how Helga feels.
<CRAIG_BARTLETT> and she hasn't heard back fromhim how HE feels.
<CRAIG_BARTLETT> and so, she acts like she hates him again,
<CRAIG_BARTLETT> and the whole class goes to Central America, because Arnold won them an essay contest.
<CRAIG_BARTLETT> he has his own agenda to look for his parents with the map that he found in "The Journal."
<CRAIG_BARTLETT> they all go to Central America, and s
<CRAIG_BARTLETT> simmons, and wartz.
<mokichan> *tears up my fanfic* :
<Hurricos> lol
<Gena> XD
<IfOnlyHeLovedMe> lol
<Fey> lol
<BlaueKatze> lol
<CRAIG_BARTLETT> i don't want to give away the ending, since who knows??
<CRAIG_BARTLETT> maybe I could make it, in book form?
<PhantomPearl> yes
<IfOnlyHeLovedMe> yess
<Ruth-HLT> yes!!!
<CRAIG_BARTLETT> if Nick ever gets back into HA! with me.

<CRAIG_BARTLETT> but you all are very interested in the ARnold Helga thing...
<CRAIG_BARTLETT> I will tell you that ARnold and Helga "get together" in the movie
<CRAIG_BARTLETT> and realize that they are meant for each other.
<CRAIG_BARTLETT> as I mentioned last time,
<CRAIG_BARTLETT> gerald interruptus.
<CRAIG_BARTLETT> it's very funny.
<CRAIG_BARTLETT> and Brainy has a wonderful role in helping Helga get her act
together.
<CRAIG_BARTLETT> they all save each other, lots of high adventure
<CRAIG_BARTLETT> a la Parents Day and The Journal.
<CRAIG_BARTLETT> lots of swinging on vines,
<CRAIG_BARTLETT> crossing raging rivers,
<CRAIG_BARTLETT> rope bridges,
<CRAIG_BARTLETT> poison darts,
<CRAIG_BARTLETT> etc.
<CRAIG_BARTLETT> ...
<CRAIG_BARTLETT> satisfied for now??
<Fey> eeeeeep! I'm so excited for this movie now and we might never see it!!! T__T
<CRAIG_BARTLETT> i KNOW.
<CRAIG_BARTLETT> We had such a good crew at the end,
<CRAIG_BARTLETT> when we made Journal and Arpil Fools.
<CRAIG_BARTLETT> we would have made a kickass little film.
<CRAIG_BARTLETT> but these projects have vindows of possibility, and sometimes they
just miss.
<CoolSteve> Arnold Kickass!
<Ruth-HLT> not that as a last name too!
<CRAIG_BARTLETT> ha!
<CRAIG_BARTLETT> which stands for Hey Arnold!
* Helgiette_Capaki has joined #arnoldsroom
<CoolSteve> wow, oldschoool fans
<CRAIG_BARTLETT> hi oldschooolers.
<CRAIG_BARTLETT> Okay, Steve,
<CRAIG_BARTLETT> who's next?
<CRAIG_BARTLETT> who is the official q?
<CoolSteve> Yasumie first
<Yasumine> if "the patakis" had been made. what was ur plan for all the characters?
<CRAIG_BARTLETT> okay, the Patakis.
<CRAIG_BARTLETT> listen:
<CRAIG_BARTLETT> All the kids would be in it, but Arnold moved away.
<CRAIG_BARTLETT> I had to clear him out of the action, so it could feature the Patakis.
<CRAIG_BARTLETT> It was making Helga clearly the star and not the costar.
<CRAIG_BARTLETT> i concentrated on Helga and her family. I really love Olga
<CRAIG_BARTLETT> though some don't
<CRAIG_BARTLETT> and wanted to move her back into the house after college
<CRAIG_BARTLETT> she was an aspiring actress.
<CRAIG_BARTLETT> and Helga the budding writer.
<CRAIG_BARTLETT> Bob more like Tony Soprano
<CRAIG_BARTLETT> and MIriam in 12 step, working at a TV station.
<CRAIG_BARTLETT> I guess beyond that, just eveyrone else as a teenager.
<CRAIG_BARTLETT> Arnold featured only far away, because Helga writes to him every
ep
<CRAIG_BARTLETT> and then puts the letters away, doesn't mail them

<CRAIG_BARTLETT> keeps them in binders, very organized
<CRAIG_BARTLETT> like her shrines.
<Manolo> Oh Steve, I have a question for Craig about the Patakis!
<CRAIG_BARTLETT> okay, a Patakis q?
<CRAIG_BARTLETT> go ahead.
<jayce0814> craig i'm huge fan!!!!!!!!!!
<CRAIG_BARTLETT> thanks luv
<Manolo> Thank you Craig! Does Arnold writes letters to Helga, and if so, does she reads them?
<CRAIG_BARTLETT> the other kids would be fun, i can't remember what I was going to do, just show them all
<CRAIG_BARTLETT> as awkward teens.
<CRAIG_BARTLETT> sid and stinky
<CRAIG_BARTLETT> geral
<CRAIG_BARTLETT> Gerald i mean
<CRAIG_BARTLETT> etc.
<CRAIG_BARTLETT> Phoebe would of course be important
<CRAIG_BARTLETT> phoebe and gerald would be a cool couple, not dysfunctional like H and A
<mokichan> This is my first CB chat ever :D
<CRAIG_BARTLETT> Hey mok.
<Manolo> Oh Craig, I think you missed my question!
<CRAIG_BARTLETT> go ahead, manolo
* Helga has joined #arnoldsroom
<Helga> Hi everybody, it's Francesca! :)
<CoolSteve> no way!
<Sketchpad73> Holy cow!
<Gena> FRANNY!
<DarthRoden> (bows to the original and only Helga) Its such an honor
<mxnhpfreak> Sorry Craig, I'll repost Manolo's question 'cause I want it answered, too:
Does Arnold writes letters to Helga, and if so, does she reads them?
<CRAIG_BARTLETT> I think it would be poignant if he wrote, and thought that she had forgotten him,
<CRAIG_BARTLETT> and she wrote every stinkin' day but didn't send them.
<CRAIG_BARTLETT> so tragic.
<CRAIG_BARTLETT> so angsty.
<Helga> Sorry I'm late, I had to fight with my computer for a little bit...
<CRAIG_BARTLETT> is that Franny???
<Helga> Yep, hi Craig :)
<CRAIG_BARTLETT> hey!!
<jayce0814> R U GUYS SURE THATS HER?
<CRAIG_BARTLETT> it's here.
<CRAIG_BARTLETT> i mean her.
<Manolo> Hi Franny! we all love your work!
<ChristyM> it's awesome to have ya here Franny! =)
<Helga> Aww, thanks everybody! :)
<Fey> I LOVE your voice acting Franny! *is a huge fan*
<Helga> Well that's comforting, since I'll be starting it up again in a few months... ;)
<kagomesashi> Greetings from Ecuador ^.^
<CRAIG_BARTLETT> Hi kago by the way!
<kagomesashi> Hi Craig!
<CRAIG_BARTLETT> now I'll have to do the twenties version of Helga.

<Manolo> Ha ha ha! Helga at his twenties, the new Olga?
<CRAIG_BARTLETT> Helga will never be Olga, tho.
<Manolo> But doesn't Helga will turn in what she most hate? OLga!
<CRAIG_BARTLETT> OL-ga!
<Ruth-HLT> congrats on getting through college, franny.
<Helga> Well, not quite through yet, but thanks. ;)
<knobworld> Hi Franny from Jim Lang
<Helga> HI JIM!!!! :D
<The_Mouse_Avenge> You're in college, Franny? Neat. :)
<Helga> I graduated from Stanford in 2006 and am finishing up my master's now.
<CoolSteve> your charatcer plays an important role. you may not think it, but in every fanfiction ever penned about the show that features helga, they picture your voice in their fic.
<CoolSteve> and you made that charatcer come to life
<Helga> Whoa...weird thought. Cool, though!
<CRAIG_BARTLETT> one of my faves is Helga on the Couch.
<CRAIG_BARTLETT> watching baby Helga grow up and form all those opinions.
<Ruth-HLT> so much like my childhood, it's ridiculous
<CRAIG_BARTLETT> really ruth??
<Ruth-HLT> yes :(
<CRAIG_BARTLETT> yikes! I dedicate the ep to you then.
<CRAIG_BARTLETT> have all of you downloaded Jim's HA! songs?
<Hurricos> yup ^^
<kagomesashi> sure!
<CRAIG_BARTLETT> they are out there waiting for your listening pleasure.
<CRAIG_BARTLETT> go get em.
<knobworld> Check out knobworld.com if you haven't. There is quite a bit of HA stuff on there. I also have a log that's fairly current so you might even get the skinny on new stuff w/ Craig
<Hurricos> Hey Craig, I was just wondering, does Helga still keep the Monitor Lizard around as a pet?
<CRAIG_BARTLETT> The Parrot!! another fave.
<CRAIG_BARTLETT> i guess that lizard is still at Helgas.
<Hurricos> Did she ever name it?
<CRAIG_BARTLETT> Yeah, it needs a name.
<SeraphimKiss> Probably named it Arnold
<kagomesashi> yeah hehehe "Come here Arnold!"
<Ruth-HLT> i love the ending of that blasted parrot
<CRAIG_BARTLETT> it's one of our best endings ever.
<CRAIG_BARTLETT> okay, who is the official next q?
<CRAIG_BARTLETT> carlin? ask away.
<CoolSteve> i was a fool to think i could control a Craig, Jim, and Fran Smith chat
<Carlin53> craig, jim. fran? were bein invated
<CRAIG_BARTLETT> invader JIm
<Helgiette_Capaki> Where's UncleBobby when you need him? ;)
<CRAIG_BARTLETT> oh yeah i remember him.
<CoolSteve> i had no idea I'd have close to 50 people, this is even bigger than he 10 anniversary chat last year
<CRAIG_BARTLETT> go steve go steve
<CoolSteve> yeah carlin, please
<CRAIG_BARTLETT> carlin!!
<CRAIG_BARTLETT> carlin first!

<Carlin53> i have on for fran
<CoolSteve> is fran there?
<Helga> Yep! :)
<Helga> Trying to keep up...
<Carlin53> do u like vanessa carlton?
<Helga> Oh I'm a huuuuuge music person, I really do listen to everything... :)
<CRAIG_BARTLETT> Franny, list off some musical favorites.
<jayce0814> CRAIG I'M YOUR BIGGEST FAN EVERRRR!! HEY ARNOLD WILL ALWAYS BE MY FAVORITE CARTOON SHOW OF ALL TIME!
<CRAIG_BARTLETT> thanks Jayce!
<CRAIG_BARTLETT> Franny was making tapes all through the Arnold years
<Helga> I'm proud to report I've moved on to CDs now. :P
<CRAIG_BARTLETT> carrying digital players around before ipods existed.
<CRAIG_BARTLETT> steve, who is next?
<CRAIG_BARTLETT> officially
<Ruth-HLT> oh, craig...i loved that ruth cell you sent to me long ago. sadly, it was stolen (along with a lot of our belongings) when we moved to minneapolis.
<CRAIG_BARTLETT> Oh, damn, it was stolen? crap.
<Monalila89> I know I'm going to get stoned/ignored for this question but I want to know about Lila's future. I'm the first a/l fan and I can dream can't I? *duck and hides*
<CRAIG_BARTLETT> Okay, Mona's q about Lila.
<CRAIG_BARTLETT> Lila i think probably stops being the bane of Helga's existence.
<CRAIG_BARTLETT> If Arnold moves away, then Lila and Helga could even be friends.
<CRAIG_BARTLETT> I like their little understnding in "School Play."
<CRAIG_BARTLETT> but Lila kind of messed with Helga's head some more after that,
<CRAIG_BARTLETT> and i think that's why fans hated her.
<CRAIG_BARTLETT> we made her kind of a monster in the end.
<CRAIG_BARTLETT> It was for laughs, but I really like Lila and think we should give her a break.,
<CRAIG_BARTLETT> they'd be funny together.]\n
<knobworld> Hey all, gotta jet. Will try to drop back in in a while. Hang in there Steve!
<Helga> Bye Jim! :)
<Ruth-HLT> bye jim!
<BlaueKatze> bye jim
<CRAIG_BARTLETT> remember when Helga lost Phoebe and tried hiring Lila as a new sidekick?
<CRAIG_BARTLETT> my fave line in that one:
<CRAIG_BARTLETT> you are so FIRED!!!
<CRAIG_BARTLETT> No, wait, it was "ever so fired!"
<The_Mouse_Avenge> Awww....poor Lila. :(
<CRAIG_BARTLETT> yes, Lila was actually a lovely person. the actor who played her was the sweetest kid.
<CRAIG_BARTLETT> we all really liked her.
<Helga> Yeah, she was a sweetheart. :)
<CRAIG_BARTLETT> okay, next q?
<CRAIG_BARTLETT> Steve, pick one
<CoolSteve> Jayk2k3, GO
<CRAIG_BARTLETT> go Jay
* knobworld has left #arnoldsroom
<Jayd2k3> being bro-law to matt did this effect anything in the humor of Hey Arnold
<CRAIG_BARTLETT> good question!
<CRAIG_BARTLETT> Let me put it this way

<CRAIG_BARTLETT> Matt's show has influenced EVERYBODY.
<CRAIG_BARTLETT> all animated tv series owe Simpsons a debt
<CRAIG_BARTLETT> and I think that being close to all that Simpsons stuff has been
hugely entertaining
<CRAIG_BARTLETT> just for its own sake.
<CRAIG_BARTLETT> Matt is a mentor to me about a lot of things,
<CRAIG_BARTLETT> humor, telling a story, even how to design characters.
<CRAIG_BARTLETT> He looked at our pilot script
<CRAIG_BARTLETT> we pitched it to him
<CRAIG_BARTLETT> and he had great comments.
<CRAIG_BARTLETT> he's also been very supportive of my stuff, just to be a mensch.
<Jayd2k3> thanks for answering my question Craig
<CRAIG_BARTLETT> sure, Jay!
<CRAIG_BARTLETT> Steve, who's next?
<The_Mouse_Avenge> I have a question. :)
<CRAIG_BARTLETT> go mouse!
<The_Mouse_Avenge> 1. What's your favorite episode of "HA!"?
<CRAIG_BARTLETT> ooh, my favorite episode!
<CRAIG_BARTLETT> I think Jim and Franny should answer that one first. I'll think...
<PhantomPearl> Jim left
<Helga> Oh wow...favorite episode?
<CRAIG_BARTLETT> go Fran
<Helga> Hmmm...I remember having a LOT of fun with the opera ep...and Romeo and
Juliet.
<CRAIG_BARTLETT> Yeah, those are both so BOSS.
<CRAIG_BARTLETT> the Opera was the most fun to record.
<Helga> I think either Opera or Couch. Kathy was just sooooo cool as the psychiatrist, and
I think that was a really nice moment for Helga emotionally and psychologically.
<CRAIG_BARTLETT> and the Neighborhood when Bob and Nick Vermicelli get in that
fight
<CRAIG_BARTLETT> and when Grandpa and Helga fight over Arnold's locket in the
kitchen
<CRAIG_BARTLETT> just as recordings.
<CRAIG_BARTLETT> my favorite show? it's too hard.
<CRAIG_BARTLETT> Jim??
<CRAIG_BARTLETT> are you out there?
<Helga> Jim had to bail, Craig
<CRAIG_BARTLETT> Damn. I wonder what his favorite ep is.
<CRAIG_BARTLETT> I should post a top ten list.
<Sketchpad73> Jim's might have been Parent's Day. The music was so moving there.
<CRAIG_BARTLETT> Yeah, music wise, Jim loved the Parents theme maybe most of all.
<CRAIG_BARTLETT> when he wrote that piano theme, he knew how to score the rest of
the show.
<CRAIG_BARTLETT> He often works that way, starting by identifying the themes.
<CRAIG_BARTLETT> like Party Wagon, too.
<CRAIG_BARTLETT> For me, his best theme was maybe Thanksgiving. I love that one
<CRAIG_BARTLETT> And I loved his work in Arnold's Christmas.
<CRAIG_BARTLETT> Franny, favorite music from the show?
<Helga> WeeeeIII, I still sing the Opera stuff more often than I'd like to admit... :D
<CRAIG_BARTLETT> Just like I stated, she's overrated...
<Helga> But I remember the Christmas stuff...as far as the instrumental pieces go that
really struck me.

<CRAIG_BARTLETT> Yeah, that big epic Mai tune, when Mr. Hyunh tells the story.

<CoolSteve> OKAY, first SeraphimKiss, youre first on the list - do you have a question to ask Craig/Jim?

<Helga> Aww, not me Steve? ;)

<SeraphimKiss> Would Randy have ended up with Jill, Milly, or Sue? They all seem possible, and I can't make up my mind which I would prefer.

<Carlin53> what's ur age fran?

<Helga> I'm 22, Carlin.

<jayce081414> FRAN, R U GOING TO DO ANY VOICE ACTING AGAIN?

<Helga> Yep. I should be back into it full time within the year.

<CRAIG_BARTLETT> go ahead, next!

<CRAIG_BARTLETT> who's q?

<CRAIG_BARTLETT> I missed it

<kagomesashi> seraphim kiss

<CRAIG_BARTLETT> seraphim? ask again pls...

<SeraphimKiss> Would Randy have ended up with Jill, Milly, or Sue? They all seem possible, and I can't make up my mind which I would prefer.

<CRAIG_BARTLETT> Oh, boy a Party Wagon q.

<CRAIG_BARTLETT> Randy actually ends up with Billie. around episode 60.

<CRAIG_BARTLETT> Jill is too old and experienced.

<CRAIG_BARTLETT> Ornerly Sue can't work it out, she's too complicated.

<CRAIG_BARTLETT> I had this idea that if it went on and on,

<CRAIG_BARTLETT> i'd have Billie and Randy get separated by a couple years, travelling around,

<CRAIG_BARTLETT> and then Randy sees her, like age 16, at a ball.

<CRAIG_BARTLETT> falls in love, not even realizing it's Billie.

<CRAIG_BARTLETT> does that answer it?

<SeraphimKiss> Yes, thank you! :)

<Helga> Good job Craig, very thorough. </cheerleader>

<CRAIG_BARTLETT> back at ya, F

<CRAIG_BARTLETT> what's the next q?

<CoolSteve> NEXT UP, Albert_Rodcheste

<CRAIG_BARTLETT> Go albert!!

<Albert_Rodcheste> Ok, Craig were you dissappointed on how short Party Wagon turned out to be?

<CRAIG_BARTLETT> I was, I was.

<CRAIG_BARTLETT> CN changed administrations in mid-development

<CRAIG_BARTLETT> and when it was finished, no one knew what to do with it.

<CRAIG_BARTLETT> I took the development of PW very seriously, read a million books, wrote amillion notes.

<CRAIG_BARTLETT> so I was kinda shellshocked by their lack of interest in it.

<CRAIG_BARTLETT> it's rough out there, development. I wouldn't wish it on my worst enemy.

<CoolSteve> Arnold would say look on the bright side

<CRAIG_BARTLETT> Thanks Arnold.

<CRAIG_BARTLETT> He's a good kid.

<CRAIG_BARTLETT> the corporate world is very cold.

<CRAIG_BARTLETT> we need to provide our own passion from within

<CRAIG_BARTLETT> and not ever let them get your soul.

<CRAIG_BARTLETT> keep your secret self safe inside!

<CoolSteve> craig next q?

<CRAIG_BARTLETT> yes

<CRAIG_BARTLETT> let's do it!
<CoolSteve> acmaster27, go
<CRAIG_BARTLETT> acmaster go
<kagomesashi> I think acmaster left the chat
<CoolSteve> oh, he left?
<CRAIG_BARTLETT> bummer, ac.
<CoolSteve> NEXT IS SupremeOneHelga
<CRAIG_BARTLETT> supreme go!!
<CRAIG_BARTLETT> that's my religion: Supreme ONE Helga.
<SupremeOneHelga> Monkeyman question
<CRAIG_BARTLETT> yeah, Monkeyman!!
<SupremeOneHelga> Does he have a name?
<SupremeOneHelga> or is it just Monkeyman
<CRAIG_BARTLETT> You remember his backstory that he tells at the table?
<CRAIG_BARTLETT> he was a little kid when he decided to become Monkeyman.
<CRAIG_BARTLETT> so i pictured it that his identity got kinda wiped away
<CRAIG_BARTLETT> Like Bourne.
<CRAIG_BARTLETT> I loved Ultimatum
<CRAIG_BARTLETT> didn't y'all?
<Helga> Boo, I still haven't seen that...I really need to. :(
<CRAIG_BARTLETT> I met Greengrass (the director) at the oscars this year!
<CRAIG_BARTLETT> told him how much United 93 kicked ass
<CRAIG_BARTLETT> and he was great.
<CRAIG_BARTLETT> we talked enthusiastically about movies,
<CRAIG_BARTLETT> then he said, I better get back to my seat
<CRAIG_BARTLETT> and clapped me on the back.
<CRAIG_BARTLETT> greengrass rox!!
<CRAIG_BARTLETT> I also told Cuaron that "children of men" kicked ass
<CRAIG_BARTLETT> but he was in a bigger hurry to get to his seat.
<CRAIG_BARTLETT> he was nice too tho!
<CRAIG_BARTLETT> directors are usually more approachable than actors.
<Taysamo> When I went to Toys R Us the other day, They played that song keep your sunny side up or whatever from Eugene, Eugene!. I was like =o. Okay, thought I'd share that.
<CRAIG_BARTLETT> WHAT??
<CRAIG_BARTLETT> Toys are us playing Eugene Eugene???
<Taysamo> Mhm I stopped my sister and was like.. do you hear that
<Taysamo> I have no idea where it was coming from either
<Taysamo> xD
<CRAIG_BARTLETT> that was a really fun show to write. Moi, Michelle L, and Lang.
<CoolSteve> Craig, next q?
<CRAIG_BARTLETT> Steve, who's next?
<CoolSteve> IfOnlyHeLovedMe, I choose you!
<CRAIG_BARTLETT> Go if!!
<IfOnlyHeLovedMe> OMG YAY!
<CRAIG_BARTLETT> Go if only!
<IfOnlyHeLovedMe> I was just wondering what happened to all our favorite characters of Hey Arnold! when they're adults?
<IfOnlyHeLovedMe> like who gets together? what do they do in life?
<CRAIG_BARTLETT> God, who knows? they live in my memory as kids, I would have grown them up if I could,
<CRAIG_BARTLETT> but they seem arrested in childhood mostly, wandering around the

streets of the old neighborhood.

<CRAIG_BARTLETT> Sid and Stinky looking at their names in the sidewalk.

<mokichan> can't stand 'em as teens or older

<CRAIG_BARTLETT> Yeah, everyone's in such a dang hurry to grow up.

<CRAIG_BARTLETT> it's overrated.

<IfOnlyHeLovedMe> thank you soo much craig!

<CRAIG_BARTLETT> Actually, adulthood IS more fun than childhood.

<CRAIG_BARTLETT> more options.

<CRAIG_BARTLETT> like trave..

<CRAIG_BARTLETT> travel i mean.

<Sketchpad73> It would have been cool if The HA! gang ran into The Peanuts gang. Charlie and Arnold would have a lot in common.:)

<CRAIG_BARTLETT> Oh, yeah, remind me to tell you about Peanuts.

<CRAIG_BARTLETT> But first qs.

<CoolSteve> go to go craig?

<CRAIG_BARTLETT> yeah, who's next?

<CoolSteve> Ruth-HLT, i choose you!

<CRAIG_BARTLETT> go Ruth

<Ruth-HLT> first question: the last time i emailed you (when you were still at CN), you mentioned that you and joe were pitching a movie to Nick, and then earlier, you mentioned that you and joe had done some shorts for them recently. are these shorts what you were pitching to them a while back, or was the movie thing from a few years ago something totally different? that's been bugging me for a...

<Ruth-HLT> ...while. (second tiny question is that is it ok for steve to give me your email since i don't have it anymore? obviously, it's not the turner one anymore.i am)

<Ruth-HLT> ignore that "i am" oopsie

<CRAIG_BARTLETT> Ruth: get my email from STEve! and as for Nick

<Ruth-HLT> i shall :)

<CRAIG_BARTLETT> we pitched and then wrote a movie, called "The Jinx."

<CRAIG_BARTLETT> it didn't get made. very funny script tho IMHO.

<CRAIG_BARTLETT> then, i pitched more stuff.

<CRAIG_BARTLETT> which they passed on, one and all.

<CRAIG_BARTLETT> THEN, we took a project to Henson

<CRAIG_BARTLETT> and Henson pitched it to Nick

<CRAIG_BARTLETT> some shorts, two of them. We shot them on the Henson stage
LAST WEEK.

<CRAIG_BARTLETT> we brought it to them two years ago!

<CRAIG_BARTLETT> typical speed of development...

<CRAIG_BARTLETT> Nick plans to show them on their new show called "Open Mike"
which hasn't even started yet.

<CRAIG_BARTLETT> I have no idea when they will show...

<CRAIG_BARTLETT> keep an eye out for us...

* Deep-Voice\ has joined #arnoldsroom

<Deep-Voice\> MAN! I thought I'd never get in tonight.

<CRAIG_BARTLETT> Helga, Deep Voice is here!

<Deep-Voice\> Hi!

<Helga> Hello hello! :)

<CoolSteve> next up Craig?

<CRAIG_BARTLETT> yeah, steve, who?

<Deep-Voice\> Hi Craig!

<CRAIG_BARTLETT> Hi DV.

<CoolSteve> greenorbs aka Jae B, go!

<CRAIG_BARTLETT> Greenorbs go!
<Sven2010> hello craig
<CRAIG_BARTLETT> hi sven
<CoolSteve> Jae, are you there?
<Deep-Voice\> Hi Franny!
<Helga> Hi! :)
<CoolSteve> last call for JAE
<CRAIG_BARTLETT> I now have the pennys on DVD!
<CRAIG_BARTLETT> next?
<CoolSteve> gena, GO
<CRAIG_BARTLETT> go gena!
<Gena> yay!
<Gena> What makes Arnold so "special" to the Green eyes?
<CRAIG_BARTLETT> ha! awesome.
<CRAIG_BARTLETT> They have a design motif that's like a football head in all their architecture, etc.
<CRAIG_BARTLETT> and when they see baby Arnold's head, they think he's divine.
<Gena> OMG, I thought so
<CRAIG_BARTLETT> they semi-worship him.
<DarthRoden> they and helga would get along then
<CRAIG_BARTLETT> yeah, they semi worship Helga too.
<CRAIG_BARTLETT> obviously!!
<Helga> AS WELL THEY SHOULD.
<Helga> ...kidding.
<Helga> :)
<Helga> I relapse sometimes. ;)
<CRAIG_BARTLETT> Ha!!
<Gena> anything to do with their eye color though?
<CRAIG_BARTLETT> i like their green eyes but they don't have any particular significance
<CRAIG_BARTLETT> just that they are bright green and cool.
<Gena> haha okai THANKS!!
<CRAIG_BARTLETT> kind of like the people in the Emerald Forest,
<CRAIG_BARTLETT> that's where i got some of the inspiration.
<Sven2010> In what to year was born Franny (and Helga:)?
<Helga> 1985...yes, like the song...
<CRAIG_BARTLETT> Franny, everyone wants to know how old you are.
<Helga> Apparently!
<CRAIG_BARTLETT> ha!!
<Jayd2k3> what month
<Helga> March! I'm a spring chicken, without the chicken.
<CRAIG_BARTLETT> next, Steve?
<CoolSteve> Ah yes, JAE as you are back, ask away!
<Greenorbs240> okay. Craig, is Hensen Productions affiliated with Disney? I've been wondering this for a while now
<CRAIG_BARTLETT> Henson sold the Muppets to Disney, but retained their new stuff for themselves.
<Greenorbs240> that's a good thing. I think
<CRAIG_BARTLETT> I was on a panel at ComicCon with the Hensons, and what fan love intensity!1
<Helga> Oo, you were at ComicCon?
<CRAIG_BARTLETT> yep, come down next year, Fran, it's insane

<CoolSteve> if fran was at coic con I'd drive from Canada to be there so she can autograpgh me

<Helga> Autograph...you? o,O

<CoolSteve> yeah fran, autograph...my forehead, lol

<CoolSteve> nah, I'd get some Helga related merchandise

<Helga> Try to find that alarm clock, Steve...I never got one... :(

<CoolSteve> there was a helga alarm clock?

<Helga> Although I really don't think I want to wake up to my own voice...

<CoolSteve> NO freakin way, I want one

<CRAIG_BARTLETT> Franny actually prefers Francesca, I feel that I am setting a bad example.

<CRAIG_BARTLETT> soon we'll just call you F.

<CoolSteve> wazzup F

<Helga> Yeah, my name's too long, I'm sorry. :(

<CoolSteve> NEXT UP: destineyjen

<DestineyJen> Okay, get ready and brace yourself --- I have eight questions: 1. Can you e-mail me your e-mail address? My e-mail is

<DestineyJen> is destiniv@earthlink.net. I would like to set up an e-mail interview with you. 2. Do any of the three of you keep in touch wi

<DestineyJen> th the rest of the cast, like say Anndi? 3. Was Lila's name inspired by the news anchor of the same name (Lila "Diane" Sawyer)? 4. What

<DestineyJen> was it like working with Carolyn Lawrence (Cindy on Jimmy Neutron; Sandy on Spongebob) on Party Wagon? 5. What was the song playing while Helga was dreaming at the beginning of Helga on the Couch and is it available for download? 6.

<CRAIG_BARTLETT> Steve, who is next?

<QuietSeeker00> destineyjen is asking her questions

<CRAIG_BARTLETT> Oh, Jen is up?

<CRAIG_BARTLETT> What was it like working with CArolyn?

<DestineyJen> According to an interview I recently read, you used to work on Ren & Stimpy, what was that like? 7. Is the script for TJM in a lock box in Nick Studios or is that just a rumor? And last, 8. "Hey, Craig, speaking of TJM, would you like to see something we fans made in your honor just to let everyone and Nick know how awesome your fans really think you and Hey Arnold! are?"According to an interview I recently read, you used to work on Ren &

<CRAIG_BARTLETT> she is a very cool person and a friend. I've known her from way back.

<DestineyJen> Was I actually supposed to go next, or did I read something wrong?

<CRAIG_BARTLETT> Go Jen

<CRAIG_BARTLETT> I got part of your q.

<DestineyJen> All of my q's are above.

<CRAIG_BARTLETT> Yeah, R and S was insane. I got there very late in the game

<CRAIG_BARTLETT> post john K.

<CRAIG_BARTLETT> I did visit John's studio in first season tho

<CRAIG_BARTLETT> and they threw some great parties.

<CRAIG_BARTLETT> total anarchy.

<mokichan> those were effed up episodes, no offense, lol...

<CRAIG_BARTLETT> yes, the whole R and S saga had very weird karma.

<CRAIG_BARTLETT> the crew that remained after John got fired never recovered from all the politics and bad feelings.

<CRAIG_BARTLETT> an interesting production tho

<CRAIG_BARTLETT> and very talented cartoonists/artists

<CRAIG_BARTLETT> just sad, when things fall apart for various reasons.
<CRAIG_BARTLETT> And yes, i would like to see your Jungle movie! where is it? online?
<Hurricos> It's not done yet ^^;
<kagomesashi> it is in production! By the way JEN I would like to join to the project
<DestineyJen> The whole project thing isn;t done yet, but we do have a website and a LJ community at --- <http://hillwoodcity-ha.net> and http://community.livejournal.com/ha_tjm_fanmade
<CRAIG_BARTLETT> cool, let Steve know, and he'll clue me in.
<CRAIG_BARTLETT> oh, how to read the jungle movie.
<Claudia13> Thank you SO MUCH, Craig, Franny... if Jim comes back tell him thank you, too, please... I love y'all guys you gave me an awesome time during my childhood with your amazing show
<Helga> Aww, glad you enjoyed it, Claudia. That's what makes it all worth it! Thanks for coming.
<CRAIG_BARTLETT> thanks for the kind words, Claudia! I certainly was happy to do it.
<CoolSteve> Jennerz, are you done - did Craig answer, this chat is going to fast for me to keep track
<CRAIG_BARTLETT> yeah, Steve, the comment was a mile back!
<CRAIG_BARTLETT> sorry for confusion
<DestineyJen> Some of them were passed up. A question about the song in the beginning of Helga on the Couch was unanswered.
<CRAIG_BARTLETT> A song at the beginning of Helga on the couch.
<Claudia13> thank you, Steve, too... for this amazing chat... see you, guys!
<CRAIG_BARTLETT> ciao Claudia
* Claudia13 has left #arnoldsroom
<CRAIG_BARTLETT> Franny, can you remember?
<CRAIG_BARTLETT> I remember that there is a small chamber orch version of the Helga theme...
<CRAIG_BARTLETT> y'know, da... da da da da... da da da da....
<DestineyJen> There's a Helga theme? Awesome!
<CRAIG_BARTLETT> everybody knows it, you just have to hear it.
<QuietSeeker00> it goes like dum da da da dum dum dum....
<CRAIG_BARTLETT> is that your q, quiet seeker?
<QuietSeeker00> erm not really but it was one of them
<QuietSeeker00> my question was about your script...
<CRAIG_BARTLETT> Jim and I both have those cues, email him at knobworld, he'll send it to you.
<QuietSeeker00> but as DJ asked, can she get your email, for an email interview?
<CRAIG_BARTLETT> ask Steve for it!
<CoolSteve> thanks Craig, no I'm gonna get like 50 e-mails
<CRAIG_BARTLETT> sorry...
<CoolSteve> Craig, as long as you are okay with it, Ive kept your address a secret since out first mails in 2003
<CoolSteve> because i knew, at the time back four years ago, if i gave it out panic would insue your inbox
<CRAIG_BARTLETT> yeah, you are the filter!
<CRAIG_BARTLETT> steve, who is next?
<CoolSteve> kagomesashi is next
<kagomesashi> Actually I have 2 question but no more, First of all, Craig for me, you are the King of animation and an idol! I want to make animation somewhere in the future, and let me said that you are an inspiration. Now the q's
<CRAIG_BARTLETT> thanks Kago

<kagomesashi> ^.^ you're welcome
<CRAIG_BARTLETT> go kago go kago
<kagomesashi> a)Craig do you have any plan of making a Web site? and if it is, what would you put in there?
<CRAIG_BARTLETT> yeah, I always want to start a site, but have not taken the time to do it. Franny was just asking me why I don't hve a blog.
<Helga> Yeah, you really have no excuse, Craig. Blogger makes it soooo easy! Even MySpace would be better than nothing.
<CRAIG_BARTLETT> at my theoretical website I would post a lot of art.
<CRAIG_BARTLETT> I have mucho stuff from the Arnold years of course.
<CRAIG_BARTLETT> and would also like to test out stupid ideas for shows by doing little animations.
<kagomesashi> b) There's is a real villian in TJM?
<CRAIG_BARTLETT> yeah, Kago, there is is a villian in TJM, called LaSombra.
<CRAIG_BARTLETT> I can't remember how much of him we built into "The Journal.
<CRAIG_BARTLETT> it's like a confused series of dreams now.
<CRAIG_BARTLETT> how much did we reveal?
<mokichan> he was pissed and yelled "goody gringo!"
<Hurricos> He stole La Corazon
<CRAIG_BARTLETT> yeah, it's coming back to me now...
<CRAIG_BARTLETT> yeah, Carlos played Lasombra, he's Garcia in Reno 911!
<CRAIG_BARTLETT> a very cool and funny guy.
<DestineyJen> I wish Phillip could have stayed as the voice of Arnold :(He was my favorite.
<CRAIG_BARTLETT> yeah, Phillip was a cool dude.
<CRAIG_BARTLETT> Steve, who is next?
<CoolSteve> all right, LynorEclipse, you will be next
<LynorEclipse> how much do you work with the sound designers? (what I want to become)
<CRAIG_BARTLETT> All the post, from cutting the episode, to spotting the music with Lang, to spotting the effects with the sound guys
<CRAIG_BARTLETT> that was my thing.
<CRAIG_BARTLETT> I loved that part of it.
<Helga> Well, and working with us...right...Craig...? *sniffle*
<LynorEclipse> cool! Thank you very much for answering!
<CoolSteve> Jayd2k3 GO
<CRAIG_BARTLETT> go Jayd
<Jayd2k3> how common is Bartlett as a last name
<CRAIG_BARTLETT> Ha! Bartlett is not a very common name.
<CRAIG_BARTLETT> There is the pear, of course.
<kagomesashi> There's a DJ called Craig Bartlett
<CRAIG_BARTLETT> and JOsiah Bartlett, who signed the declaration of independence
<CRAIG_BARTLETT> that The West Wing stole for their president's name
<Monalila89> and the movie charlie bartlett
<DestineyJen> I know someone named Chris Barthlett, pronounced Bartlett. He said he's related to someone from the HA! crew, but not Craig.
<CRAIG_BARTLETT> oh yeah, and him.
<Carlin> is that your son craig?
<CRAIG_BARTLETT> my son'
<CRAIG_BARTLETT> son's name is Mathias.
<CRAIG_BARTLETT> after his great grandpa
<DestineyJen> There's a politician with the last name Pataki!

<IfOnlyHeLovedMe> isn't he the mayor of new york? or was?
<CRAIG_BARTLETT> governor.
<CRAIG_BARTLETT> shine your boots, guvnah?
<CRAIG_BARTLETT> Bart stole that line from me
<kagomesashi> it's ay caramba
<IfOnlyHeLovedMe> don't have a cow man
<CRAIG_BARTLETT> ay caramba is his, tho
<Ruth-HLT> i remember the old 23 skidoo shirts with bart on them from back in the day
<Helga> Redwall is awesome. ;)
<Hurricos> Yay, Frannie is a Redwall fan!
<Helga> I believe at one point I may have tried to talk Craig into doing a Redwall project, but I'm not sure.
<Helga> Maybe that was Steve. Or maybe that was another book.
<Helga> Or maybe I've gone insane...
<Helga> :D
<CRAIG_BARTLETT> i would NOT go around Nickelodeon dressed as Albie Hecht on Halloween, telling everyone they were fired.
<CoolSteve> NEXT
<CoolSteve> ChristyM GO
<CRAIG_BARTLETT> go Christy
<ChristyM> oh my gosh!
<ChristyM> ok. I'm just wondring if there's any chance you'd go back to Nickeldoeon Craig?
<CRAIG_BARTLETT> sure, I would. But I must tell you that they are not looking for Arnold-type shows nowadays.
<ChristyM> =(
<CoolSteve> NEXT UP FOR Q's hurricos
<CRAIG_BARTLETT> hurricos! go!
<Hurricos> What exactly IS La Corazon?
<CRAIG_BARTLETT> It was a fabulous jewel. A sacred relic. mysterious powers. not to be seen in the light of day.
<Hurricos> Wow..:)
<Jayd2k3> like in Romancing the Stone
<CRAIG_BARTLETT> yep, we mined all our fave stuff from various jungle movies.
<CRAIG_BARTLETT> the thing I liked about the longer shows was that we could quote all our fave movies
<CRAIG_BARTLETT> i once made a long list of all the scenes we ripped in the Arnold movie.
<CRAIG_BARTLETT> yeah, it's not a ripoff, it's an "homage."
<Carlin> oh yeah franny?
<Carlin> you'll
<Carlin> always be helga to us all!
<Helga> Aww, thanks Carlin! ;)
<CRAIG_BARTLETT> who is next?
<CoolSteve> Next q - The_Mouse_Avenge go!
<The_Mouse_Avenge> Did someone call me?
<CoolSteve> The_Mouse_Avenge go with your Q
<CRAIG_BARTLETT> Steve, who's up?
<The_Mouse_Avenge> So, Craig, do you like HA! fanfiction? I'm working on a couple of my own. :)
<BETOO> bay guys
<CRAIG_BARTLETT> ciao

<CoolSteve> craig, mouse asked about if you like fanfic
<CRAIG_BARTLETT> Oh!
<CRAIG_BARTLETT> Yeah, they're really fun to read, tho it's been a while since I've looked.
<CRAIG_BARTLETT> I used to be into it, I would print them up and put them in binders.
<mokichan> that's cute :D
<Ruth-HLT> eep, you don't want to see mine. it's a little psychosomatic drama.
<CRAIG_BARTLETT> psychotic is the stock in trade, Ruth.
<CRAIG_BARTLETT> i remember Kim wrote some spicy ones...
<Ruth-HLT> under phoebe1, i think
<CRAIG_BARTLETT> right, kim the original phoebe fan
<CoolSteve> next Q - Monalila89
<Monalila89> Was nancy spumoni related to Dino Spumoni? and was Nancy Spumoni based off Nancy Sinatra? .. and I have my own Ha! project. I have a fan story/comic called pleasentville that deals with Lila before she moved to Hillwood as well as Lila and the HA! gang in different decades. I just wanted to get your opinion on the ideas so form the description. It would mean so much to me.
<CRAIG_BARTLETT> okay Mona...
<CRAIG_BARTLETT> first nancy Spumoni. She's based on Nancy Sinatra, as Dino is a low-rent Sinatra wannabe.
<CRAIG_BARTLETT> and they were snow boots, as in "These boots are made for walkin'.'
<CRAIG_BARTLETT> I'd like to see your Lila story. is it posted somewhere?
<Monalila89> Yeah, the first chap is up. ^^
<Monalila89> along with pics and outlines at da
<CRAIG_BARTLETT> someone will make a transcript of this chat, so write the web address and I'll look it up!
<Monalila89> my name is lila89 on deviantart
<Sketchpad73> I actually loved Dino's songs.I thought they were very classy.
<CRAIG_BARTLETT> thanks! We were all big Sinatra fans,
<CRAIG_BARTLETT> and Frank was complicated to say the least
<CRAIG_BARTLETT> both tender and cruel
<CRAIG_BARTLETT> swingin'
<CRAIG_BARTLETT> baby he wrote the book on it.
<CoolSteve> next Q, can I???
<CRAIG_BARTLETT> go Steve!!
<CoolSteve> darthroden GO
<DarthRoden> Master Craig, the scene in It Girl where Helga says "Being the it girl really Blows, I saw that it was changed to "bites" what happened? How did that not get by while Lila's little "threesome" comment in Timberly Loves Arnold get by?
<CRAIG_BARTLETT> damn, I'm lost.
<CRAIG_BARTLETT> this chat is moving fast
<CoolSteve> darth, repost your q
<DarthRoden> Master Craig, the scene in It Girl where Helga says "Being the it girl really Blows, I saw that it was changed to "bites" what happened? How did that not get by while Lila's little "threesome" comment in Timberly Loves Arnold get by?
<Ruth-HLT> i will plug DV's wonderful story you must read:

* MegawackyMax has joined #arnoldsroom

<CRAIG_BARTLETT> hey Max!!

<MegawackyMax> Hello, people. It seems I made it at last. :-)

<CRAIG_BARTLETT> who is next??

<Jayd2k3> darthroden had a question

<DarthRoden> okay here's the question Master Craig, the scene in It Girl where Helga says "Being the it girl really Blows, I saw that it was changed to "bites" what happened? How did that not get by while Lila's little "threesome" comment in Timberly Loves Arnold get by?

<CRAIG_BARTLETT> Okay, good question.

<CRAIG_BARTLETT> this is how those executive notes work.

<CRAIG_BARTLETT> Nick would read our scripts, sometimes carefully, sometimes not at all.

<CRAIG_BARTLETT> there was a stretch in 3rd, 4th season where they were really checked out.

<CRAIG_BARTLETT> Thanksgiving? they never gave any notes on it

<CRAIG_BARTLETT> and then when they got the finished episode, went, "oh my god, Simmons is gay and we meet his boyfriend!"

<CRAIG_BARTLETT> and it was too late, we didn't change a thing.

<PhantomPearl> Thanksgiving was a perfect episode by the way

<CRAIG_BARTLETT> so that blows/bites change? they caught that one.

<CRAIG_BARTLETT> we actually just tried to write it as much like we wanted, and once in a while they would insist on a change.

<CRAIG_BARTLETT> The Lila Threesome gag? I guess they weren't paying attention.

<CRAIG_BARTLETT> it made us laugh, especially since Lila said it in innocene.

<CRAIG_BARTLETT> innocence.

<CRAIG_BARTLETT> i mean.

<DarthRoden> thanks for the info Master Craig (bows)

<CRAIG_BARTLETT> no prob Darth

<CRAIG_BARTLETT> Steve? next?

<CoolSteve> gena

<Gena> yey!

<CRAIG_BARTLETT> go Gena

<Gena> Right before "The Pataki's" start, did Helga and Arnold break up just because it was 'a long distance relationship', or was it due to their 'personality problems' fitting together, etc? :o

<CRAIG_BARTLETT> okay Gena,

<CRAIG_BARTLETT> a lot of years pass between Hey Arnold! and The Patakis.

<CRAIG_BARTLETT> so they could have been broken up for years.,

<CRAIG_BARTLETT> we never really decided.

<CRAIG_BARTLETT> that development got cut off pretty early, we only wrote a pilot

<CRAIG_BARTLETT> and did some designs.

<CRAIG_BARTLETT> a lot of fans questions ask about things that I never even got to.

<CRAIG_BARTLETT> i appreciate the q's tho. you guys are paying attention!

<CoolSteve> Monalila89 ask your question, this is yourr last

<CRAIG_BARTLETT> go mona

<DarthRoden> thanks Master Craig

<CRAIG_BARTLETT> yep!!

<Monalila89> I already asked it.

<CoolSteve> jayce0814 GO

<CRAIG_BARTLETT> go jay

<jayce0814> me?
<jayce0814> really?
<jayce0814> r u sure?
<CRAIG_BARTLETT> sure!!
<CoolSteve> yes, GO now
<jayce0814> craig, what would you do if you had a chance to change back time?
<CRAIG_BARTLETT> ha, what a great question.
<CRAIG_BARTLETT> but i already said my bit about albie...
<CRAIG_BARTLETT> so how about in general?
<CRAIG_BARTLETT> I would have tried out to be an astronaut maybe. I wish I could go in space.
<CRAIG_BARTLETT> seeing the earth from space seems to have really profoundly affected all the astronauts I interviewed for that NASA film.
<kagomesashi> so you were to close the space in Nasa
<CRAIG_BARTLETT> yes, I worked on the NASA films for 2 years, and had many vivid dreams about flying in space.
<CRAIG_BARTLETT> it was spooky.
<CRAIG_BARTLETT> it's both beautiful and terrifying
<CRAIG_BARTLETT> not unlike Grandma.
<CRAIG_BARTLETT> or Helga for that matter.
<Helga> Thank you. ;)
<CRAIG_BARTLETT> no prob.
<CoolSteve> craig, are you SURE about the e-mail thing?
<CRAIG_BARTLETT> Steve, don't post it here, have peeps email you and ask for it.
<Ruth-HLT> he told me to get it from you, steve, so i would suppose so. besides, everyone knows that craig loves us.
<CoolSteve> okay then, you gave the go ahead! ;)
<CoolSteve> Fran, this chat is nuts - would like to do a chat sometime with just you as the guest?
<Helga> Sure, I'd be happy to do one!
<CoolSteve> NEXT UP guest83
<Guest83> ok well it may sound dumb, but this is my first time on this site, because i just found the SAVE HEY ARNOLD GROUP on facebook, but why did they cancel it and is there any way it can come back on tv, it was on last year at 6:30 a.m. on nick 2... but come on people would watch it, or put seasons on dvd.
<CRAIG_BARTLETT> okay, bringing Arnold back.
<CRAIG_BARTLETT> probably a long chance, but what the heck, write snail mail letters to Nick.
<CRAIG_BARTLETT> more importantly, ask Nick to put out the complete DVD series.
<CRAIG_BARTLETT> that seems more doable for Nick, IMO.
<CRAIG_BARTLETT> I'm not in their world, don't know what they think about any of it, to tell you the truth.
<CoolSteve> Fran, did you catch me address?
<Helga> Already sent a note, Steve.
<Jayd2k3> Thanks Craig for everything and good luck to you in everything you do
<CRAIG_BARTLETT> Yeah, actually I should go in about 10 minutes. Steve, give me like 5 more qs pleez
<Jayd2k3> well I have to be going, and I'm happy just jave been part of this
<CRAIG_BARTLETT> bye Jay
* Jayd2k3 has left #arnoldsroom
<Ruth-HLT> should i tell Kim and some of the other old HA boarders that you said hi?
<CRAIG_BARTLETT> please, Ruth! I miss them

<CoolSteve> NEXT Question: deepvoice
<CRAIG_BARTLETT> go Deep Voicd
<CRAIG_BARTLETT> voice
<Sven201010> Goodbye Craig
<CRAIG_BARTLETT> not gone yet!
<CRAIG_BARTLETT> hey DV got a q?
<Deep-Voice\> Franny, can you still make the voice of Helga or is your voice way too different now?
<CRAIG_BARTLETT> Franny will ALWAYS voice Helga, even when she's ninety.
<CRAIG_BARTLETT> a ninety year old Helga: scary
<Helga> The cool thing about Helga, in my opinion (and I do hope Craig doesn't disagree), is that she really does have my voice. So, even though she grew up a little as the show progressed, and her style of speech may have changed, I don't think it was really awkward...my voice never changed into a non-Helga voice...at least I don't think it did.
<Helga> Whoooaaa I'm slow.
<Monalila89> I couldn't imagine helga with any other voice
<CRAIG_BARTLETT> especially when you yell!
<Helga> Thanks Craig, comforting to hear! :D
<DarthRoden> we saw the ninety year old helga in "Stuck In a Tree"
<CRAIG_BARTLETT> that's right, another great scene, when they've worn deep holes in the tree branch
<kagomesashi> Francesca, Your voice fits so well Helga
<Helga> *waves!*
<Sketchpad73> It would be cool if Arnold had to help Dino because in the past one of his basement tapes had an incomplete recording of a local mobster's confession, and Dino's worried that he might be implicated blamed,or worse.:)
<CRAIG_BARTLETT> what a great idea for an ep.
<Gena> do your friends at college make you say quotes for a grown up Helga? :D
<Helga> They try. ;)
<Deep-Voice\> Ok, ok. Franny, have you seen the "FanVids" or AMV? If so, what do you think of them? (from Claudia)
<Helga> Nope, haven't seen...oh well the ones on YouTube, yes.
<Helga> I think it's awesome that people relate the show to their everyday lives and other works, like music...personally, it's always a little strange for me to take something from the Arnold world and try to put it in context with "real world" music, but, hey, just because I can't do it doesn't mean it isn't awesome when you can. :D
<CRAIG_BARTLETT> Fran saw Justin as Lindsay Lohan and I recommend that the rest of you do the same
<CRAIG_BARTLETT> who is next?
<CoolSteve> From sven201010 "Craig, is it possible that Lila is Sheck's niece?"
<CRAIG_BARTLETT> whoa. hadn't thought of that, Sven.
<CRAIG_BARTLETT> go Mokichan
<mokichan> question, stupid: is shek and the sewer king related/
<CRAIG_BARTLETT> Wow, another relation to Scheck. Odd, never thought of it. why not? Sewer king is a distant cousin.
<mokichan> lol, closure, thanks
<CRAIG_BARTLETT> you're welcome!
<MegawackyMax> Can I suggest that those with important messages (questions and answers from Craig) type in Bold? That'd be easier for the rest to follow, thanks. :-)
<Helga> ! I'm not good enough to be bold!
<DarthRoden> you're awesome fran

<mokichan> (my q was stupid, not you Craig!)

<CRAIG_BARTLETT> no worries mokichan

* hannah_kraft has joined #arnoldsroom

<hannah_kraft> hey evryone

<CRAIG_BARTLETT> hi hannah

<CRAIG_BARTLETT> Go Steve!

<CRAIG_BARTLETT> go man

<The_Mouse_Avenge> One last question, if you please? *smiles timidly*

<CRAIG_BARTLETT> mouse, right after STEve

<Helga> Didn't Steve have a last question...?

<Ruth-HLT> honestly, for me it's easy to step into helga's shoes, because i lived a lot of stuff like this.

<Ruth-HLT> even had my own "arnold" with blond hair...but no closet idols, hehe

<CRAIG_BARTLETT> NO closet shrines?

<Ruth-HLT> not of used gum anyway

<CRAIG_BARTLETT> ha!

<Helga> Man, you're missing out. Closet shrines are the best part.

<Ruth-HLT> i had books of poetry, too

<Ruth-HLT> probably up in my dad's attic right now

<CRAIG_BARTLETT> or your mom cleaned em out.

<CoolSteve> Okay, my turn!

<CRAIG_BARTLETT> Steve linked me to a ton of MVs on youtube. they are awesome.

<CRAIG_BARTLETT> mostly what i like about them is how many eps are cut in.

<CRAIG_BARTLETT> people are deeply familiar with the show!

<CoolSteve> I have been manaaging all day, I'd like to go!

<CoolSteve> Craig - did you see the HA! rap yet?

<CRAIG_BARTLETT> yes, it rox.

<CoolSteve> Okay my question: Craig, lets say DVD#2019s are in the works #2013 are you going to be involved in the production and packaging of them? I don#2019t want some #201cthrow the dart on the dartboard and see where it lands#201d miscellaneous slapped together DVD set. I would like full Seasons, remastered, with bonus features, behind the scenes footage, Nick promos, interviews, the pilot, etc. Would you draw band new cover art for th

<CRAIG_BARTLETT> Steve, your mouth to god's ear.

<CoolSteve> lol, thanks

<Guest95> will hey arnold ever be on dvd?

<CRAIG_BARTLETT> i really need Nick to want me involved, it's up to them. I would of course bring a lot to it,

<CRAIG_BARTLETT> being the one who was there the whole way.

<CRAIG_BARTLETT> when we made the Arnold movie DVD i offered to do commentary, find them storyboards, etc,

<CRAIG_BARTLETT> but they didn't want anything

<CRAIG_BARTLETT> so... it would take a kind of sea change at nick/paramount for them to even ask me to be involved.

<Manolo> It's really a shame! because that dvd really needed some extra characteristics!

<CRAIG_BARTLETT> Ah well, thanks for the kind thoughts, y'all.

<CRAIG_BARTLETT> i appreciate your support!! a lot.

<Guest83> PLEASE DONT LEAVE W. OUT TELLING US ARNOLDS LAST NAME

<CRAIG_BARTLETT> you guys, here's the deal with his last name.

<CRAIG_BARTLETT> I want to have him sign a package in the first scene of the next movie, and that's wnen you find out.

<CRAIG_BARTLETT> bye all of you, and I really look forward to reading this insane

transcript soon!

<Deep-Voice\> Franny?

<kagomesashi> Fran..?

<Helga> Hi kids. :D

<The_JAM> Ms. Smith, I just want to say it's an honor for me to speak with you live.

You're the second voice actor I have contact with, and the first I speak with live.

<Helga> Aww, thanks JAM! Glad to be of service. :D

<Helga> I think I should probably get some dinner soon, too... :)

<SeraphimKiss> Thanks for coming, Francesca!

<Ruth-HLT> seriously nice talking to you, Fran

<Helga> It was my pleasure! Steve mentioned another chat where I get all the attention, which, of COURSE, I couldn't POSSIBLY pass up. ;D

<ThatDonGuy> I have to ask Francesca one thing...why Stanford?

<Helga> Why Stanford? As opposed to...?

<Helga> Just curious if this is a setup for a Berkeley slam... :(

<ThatDonGuy> I wouldn't say "slam", but being a Cal grad, I just had to know...

<Helga> Ahhh, I KNEW it. :)

<Helga> Stanford was incredible in every possible way. I really couldn't have had a better college experience. It was nice to get out of Los Angeles for a little while, too...

<Helga> Berkeley is also a fabulous school. :)

<Ruth-HLT> crap, i forgot to ask you what you majored in. i remember craig saying something at the last chat, but i can't remember what he said.

<Helga> I majored in linguistics and minored in drama/dance.

<Helga> Although I never took an acting class there. ;)

<The_JAM> Ms. Smith, what did you think when you first read the script where you had to have Helga say "You make my girlhood tremble"?

<Helga> I was far too young to think anything at all.

<Helga> Really, no thoughts.

<Helga> I was a robot until 16.

<mainguy> Francesca, did you do any extracurriculars in college?

<Helga> Heh, yeah.

<Helga> I did way too many, Main.

<Helga> I coach parliamentary debate and speech for competition, and I choreograph/teach dance.

<Helga> Wherever someone asked what I did/do.

<Helga> I also was part of the teaching center at Stanford, working in the rhetoric division.

<CoolSteve> Fran, sorry, did you get my e-mail? I like to set something up, as well ask some q's (not here thou its too busy)

<Helga> Steve, nothing's come through yet.

<The_JAM> Ms. Smith, did you get a lot of flak when the movie "Mr. & Mrs. Smith" premiered?

<Helga> Ha, only a little. :)

<Hurricos> What languages do you speak fran?

<Helga> I've studied Spanish, Italian, German, and should be starting French soon...I also was going to do my thesis on this cool little Philippine creole called Zamboangueno. ;D

<Helga> I lived in Italy for awhile too. ;)

<Deep-Voice\> Fran, you said in your older chats (in like, 2001,2002) that the person who played Arnold on the TV series you hung out with (think it was Phillip you said) Do you still talk to him?

<Helga> Yeah, Phillip and I stay in touch. I also talk to Toran and Olivia.

<Ruth-HLT> sprechen Sie Deutsch, bitte?

<Helga> Ein bisschen. :P

<Gena> If you got together with Phillip, people'd be FANGIRLING/BOYING times 1,000!!

<Helga> Phillip's married with a child. ;)

<Ruth-HLT> ich spreche jetzt nicht so gut

<Ruth-HLT> it's been 10 years since i last took German in school. and since then, i've

worked on majoring in japanese, so i've forgotten a lot

<Helga> Japanese is intense. :(Good luck!

<Helga> Alright, I think it's about time for dinner for me. :)

<Gena> thanks for everything, Francesca!

<Helga> Thank you guys so much for coming! It's really nice to know that people still care about the show and what we did.

<Deep-Voice\> Thanks a lot Fran =)

<ChristyM> ok. bye fran! ut was great taking with you! =)

<DestineyJen> Thanks a ton Fran!

<LynorEclipse> thank you for coming Fran!

<IfOnlyHeLovedMe> bye francesca! nice meeting you!

<mainguy> BYE FRAN
